

Enhance your AMAG Symmetry™ Access Control System with Telaar's Handheld Readers & Emergency Mustering Solution

Symmetry™

XPRESSEENTRY

XPressEntry enhances AMAG Technology's Symmetry™ Access Control System with handheld readers and emergency mustering. Compatible handheld devices, powered by XPressEntry software, authenticate users badges or biometric data against the Symmetry™ database and allow validation of personnel names and photos. Handhelds maintain facility occupancy information and permissions to quickly verify credentials from anywhere in either online or offline scenarios.
