BETTER physical security, emergency readiness / evacuations and workplace health / safety
Honeywell® + ◆TELAERIS

Honeywell® EBI

XPressEntry

XPressEntry enhances the **Honeywell® EBI** access control system with handheld badge readers and emergency mustering. Compatible handheld devices, powered by XPressEntry software, authenticate user's badges or biometric data against the access control database and allow validation of personal names and photos. Handhelds maintain facility occupancy information and permissions to quickly verify credentials from anywhere in either online or offline scenarios.

Entry/Exit Tracking	Emergency Mustering	Event Management	Guest/Visitor Tracking	Workplace Health Screening	Online/Offline Operation
Time and Attendance	Confined Spaces	Bus Entry Validation	Remote Parking	Mobile Enrollment	Wiegand Integration
